

IP & E

Cinch is a supplier of highly sophisticated electrical interconnects. Mil/ Aero circular and rectangular connectors and cable assemblies, expanded beam fiber optic connectors and assemblies, hermetic connectors, RF Connectors, Cin::APSE connectors, D-Sub and Barrier blocks.

www.cinch.com

Is the world leading audio solutions provider committed to maximizing customer designs by helping solve eng. design challenges. With over 40 years of experience resulting in a array of innovative & comprehensive technical solutions of acoustic components

www.dbunlimitedco.com

Leading global manufacturer & worldwide supplier of a broad line of interconnects for the telecommunications, computer, industrial & medical markets High speed backplane, 10Gbit/s, Hard Metric, Advanced TCA, CompactPCI, Canbus, board to cable/board

www.erni.com

Manufacturer of inductors, power inductors, rf coils, chokes and transformers, developing applications specific solution in compliance with the industry's highest quality standards

www.delevan.com

Global leader in power supplies and power adapters for OEMs including LED drivers, Battery chargers, PoE midspans and Electronic ballasts

www.phihong.com

ALPS is recognized as a Global Technology Innovator. Core focus areas are Human Machine Interface, Sensing, Connectivity and Green devices. Precise Force sensors, compact digital humidity sensors, & ultra miniature Bluetooth®

www.alps.com

Merit Sensor Systems designs and manufacture pressure sensor solutions. Fully compensated Pressure Sensors, Ultra Low compensated digital pressure sensors & Surface mountable pressure sensors for high-volume, low to medium pressure applications

www.meritsensor.com

Yamaichi Electronics is a Global leader and innovator in test and burn in technology. As such they are the global innovator of High Speed interconnect innovation with 56Gps/ch ,quality test products for both test contactors and burn in sockets.

www.yeu.com

Bulgin is a manufacturer of quality waterproof connectors, including Buccaneer IP68 rated waterproof circular connectors
Arco includes a full line of switches (toggle, push button etc), indicator lights and fuse holders

www.bulgin.co.uk

www.arcoelectric.com

Excelsys is a leading power supply manufacturer & designer of high power density, high efficiency 'mission critical' electronic power supplies for a variety of specialist markets including Industrial, Medical, Lighting, Communications & Military

www.excelsys.com

High performance DC/DC converter supplier. Provides isolated and non-isolated point-of-load (POL) DC/DC custom converters in standard packages

www.netpowercorp.com

Lite-On SSD provides both Enterprise & Client grade SATA & PCIe SSD modules along with Consumer 2.5", M.2 & mSATA products. Solutions for Medical, Gaming, Digital Signage or Industrial applications. Global Wear-Leveling, Bad Block management algorithms, built-in ECC error correction

www.liteonssd.com

Manufacturer of deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, oil and gas, logistics, electronics and telecommunications markets. ZERO's real product is protection - ensuring the safe transport and viability of valuable equipment and electronics

www.zerocases.com

ACTIVE COMPONENTS

MPS delivers highly integrated monolithic products that offer energy efficient and cost-effective solutions: DC/DC converters, LED drivers, Class-D audio amplifiers, battery chargers, USB, current-limit switches & AC/DC offline products

www.monolithicpower.com

Manufacturer of Diodes; Zener Diodes, Surface Mount Rectifier, Glass Passivated Rectifier Chip, Glass Passivated Junction Rectifier, Junction Rectifier, Schottky Barrier & Bridge Rectifier, Transient Voltage Suppressor, semiconductors & related products

www.panjit.com

Manufacturer of Optoelectronic components including SMD, LED lamps; LED Displays, infrared LED's, Photo detectors, Opto switches and Opto Couplers

www.us.liteon.com/opto.index.html

Leader in enhancement mode Gallium Nitride (eGaN®) FETs. Serving Markets such as Servers, wireless power transmission, & RF transmission

www.epc-co.com

Leading the digital display revolution. Smart phone, tablets, mobile computers and consumer video devices rely on Analogix mixed signal semiconductors or IP for high definition display connectivity

www.analogix.com

Si Time provides robust silicon MEMS-based oscillators and clock generators. This breakthrough solution has overcome the limitations of quartz technology and completely eliminate quartz timing devices

www.sitime.com
