

IP & E

 **cinch** CONNECTIVITY SOLUTIONS
a bel group

Mil/ Aero circular and rectangular connectors and cable assemblies, expanded beam fiber optic connectors and assemblies, hermetic connectors, RF Connectors, Cin::APSE connectors, D-Sub and Barrier blocks

www.cinch.com

FIBRECO AIM CAMBRIDGE M MOUNTAIN VIEW ELECTRONICS STRATOS TROMPETER VITELEC Semflex

 **YAMAICHI ELECTRONICS**

Yamaichi Electronics is a Global leader and innovator in test and burn in technology. As such they are the global innovator of High Speed interconnect innovation with 56Gps/ch ,quality test products for both test contactors and burn in sockets.

www.yeu.com

 **bulgin/ arcoelectric**
a brand of Emerson Technology

Bulgin is a manufacturer of quality waterproof connectors, including Buccaneer IP68 rated waterproof circular connectors

www.arcoelectric.com

Arco includes a full line of switches (toggle, push button etc), indicator lights and fuse holders

www.bulgin.co.uk

 **ERNI**

Leading global manufacturer & worldwide supplier of a broad line of interconnects for the telecommunications, computer, industrial & medical markets High speed backplane, 10Gbit/s, Hard Metric, Advanced TCA

www.erni.com

 **LITEON**

The Power Innovations lines of Uninterruptible Power Quality (UPQ) systems provide power conditioning to protect critical systems, the wide range (500V - 9000 kVA) is designed around the belief that critical systems require a higher standard of protection. Available in a stand-alone or rack-mountable chassis configuration.

www.powerinnovations.com

 **excelsys**

Excelsys is a leading power supply manufacturer & designer of high power density, high efficiency 'mission critical' electronic power supplies for a variety of markets including Industrial, Medical, Lighting, Communications & Military

www.excelsys.com

 **DB UNLIMITED**

Is the world leading audio solutions provider committed to maximizing customer designs by helping solve eng. design challenges. With over 40 years of experience resulting in a array of innovative & comprehensive technical solutions of acoustic components

www.dbunlimitedco.com

 **NetPower**

High performance DC/DC converter supplier. Provides isolated and non-isolated point-of-load (POL) DC/DC custom converters in standard packages

www.netpowercorp.com

 **ALPS**
Perfecting the Art of Electronics

ALPS is recognized as a Global Technology Innovator. Core focus areas are Human Machine Interface, Sensing, Connectivity and Green devices. Precise Force sensors, compact digital humidity sensors, & ultra miniature *Bluetooth*®

www.alps.com

 **LITEON**

Lite-On SSD provides both Enterprise & Client grade SATA & PCIe SSD modules along with Consumer 2.5", M.2 & mSATA products. They provide solutions for Medical, Gaming, Digital Signage or Industrial applications. Global Wear-Leveling, Bad Block management algorithms, built-in ECC error correction

www.liteonssd.com

 **MERIT SENSOR**

Merit Sensor Systems designs and manufactures pressure sensor solutions. Fully compensated Pressure Sensors, Ultra Low compensated digital pressure sensors & Surface mountable pressure sensors for high-volume, low to medium pressure applications

www.meritsensor.com

 **ZERO**

Manufacturer of deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, oil and gas, logistics, electronics and telecommunications markets. ZERO's real product is protection - ensuring the safe transport and viability of valuable equipment and electronics

www.zerocases.com

ACTIVE COMPONENTS

 **MPS**
Monolithic Power Systems

MPS' core technology is an innovative & proprietary manufacturing process combined with superior analog circuit design capabilities. MPS delivers highly integrated monolithic products: energy efficient and cost-effective solutions. MPS product families include DC/DC converters, LED drivers

www.monolithicpower.com

 **PANJIT**
SEMI CONDUCTOR

Manufacturer of Diodes; Zener Diodes, Surface Mount Rectifier, Glass Passivated Rectifier Chip, Glass Passivated Junction Rectifier, Junction Rectifier, Schottky Barrier & Bridge Rectifier, Transient Voltage Suppressor, semiconductors & related products

www.panjit.com

 **ANALOGIX**
SEMICONDUCTOR

Leading the digital display revolution. Smart phone, tablets, mobile computers & consumer video devices rely on Analogix mixed signal semi. or IP for high definition display connectivity

www.analogix.com

 **EPC**
EFFICIENT POWER CONVERSION

Leader in enhancement mode Gallium Nitride (eGaN®) FETs. Serving Markets such as Servers, wireless power transmission, & RF transmission

www.epc-co.com
