Bulgin is a manufacturer of quality waterproof connectors, including Buccaneer IP68 rated waterproof circular connectors

www.bulgin.co.uk

www.arcoelectric.com

Arco includes a full line of switches (toggle, push button etc), indicator lights and fuse holders

Manufacturer of deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, oil and gas, logistics, electronics and telecommunications markets. ZERO's real product is protection - ensuring the safe transport and viability of valuable equipment and electronics

www.zerocases.com

Is the world leading audio solutions provider committed to maximizing customer designs by helping solve eng. design challenges. With over 40 years of experience resulting in a array of innovative & comprehensive technical solutions of acoustic components

www.dbunlimitedco.com

Leading global manufacturer & worldwide supplier of a broad line of interconnects for the telecommunications, computer, industrial & medical markets High speed backplane, 10GBit/s, Hard Metric, Advanced TCA

www.erni.com

ALPS is recognized as a Global Technology Innovator. Core focus areas are Human Machine Interface, Sensing, Connectivity and Green devices. Precise Force sensors, compact digital humidity sensors, & ultra miniature Bluetooth®

www.alps.com

Excelsys is a leading power supply manufacturer & designer of high power density, high efficiency 'mission critical' electronic power supplies for a variety of markets including Industrial, Medical, Lighting, Communications & Military

www.excelsys.com

Manufacturer of Diodes; Zener Diodes, Surface Mount Rectifier, Glass Passivated Rectifier Chip, Glass Passivated Junction Rectifier, Junction Rectifier, Schottky Barrier & Bridge Rectifier, Transient Voltage Suppressor, semiconductors & related products

www.panjit.com

High performance DC/DC converter supplier. Provides isolated and non-isolated point-of-load (POL) DC/DC custom converters in standard packages

www.netpowercorp.com

Leading the digital display revolution. Smart phone, tablets, mobile computers and consumer video devices rely on Analogix mixed signal semiconductors or IP for high definition display connectivity

www.analogix.com

Leader in enhancement mode Gallium Nitride (eGaN®) FETs. Serving Markets such as Servers, wireless power transmission, & RF transmission

www.epc-co.com

MPS' core technology is an innovative & proprietary manufacturing process combined with superior analog circuit design capabilities. MPS delivers highly integrated monolithic products: energy efficient and cost-effective solutions. MPS product families include DC/DC converters, LED drivers and battery management.

www.monolithicpower.com

Gowanda is a leading manufacturer of board-level magnetic inductive components for the OEM electronics marketplace. Extensive product line includes axial-lead & surface mount RF and power inductors, chip coils, conicals, lead and lead-free designs, pot cores, qualified product list (QPL) components,
