

ABRACON

Ecliptek      

A trusted supplier of leading-edge and innovative electronic components including Frequency Control, Timing, Power, Magnetics, RF and Antenna solutions. Servicing world-class companies across the data communication, transportation, industrial, medical, consumer, aerospace, and defense industries, Abracon accelerates customers' time-to-market by providing unmatched product solutions, technical expertise, and service excellence.

www.abracon.com

Astrodyne TDI

www.astrodynetdi.com

Astrodyne TDI designs and manufactures innovative solutions in AC/DC power supplies, UPC, custom magnetics and EMI/EMC filters supporting demanding Industrial, Aerospace, Medical & Military applications. Ranges of power from 1W to 500kW

KOA
KOA SPEER ELECTRONICS, INC.

www.koaspeer.com

World leader in thick film resistors. Product line is broad and growing, now including shunt/current sense resistors, wide terminal & high voltage resistors, thin film chip surge resistors, as well as anti-sulfur chip.

GRADCONN

www.gradconn.com

Manufacturer specializing in waterproof and standard coaxial connectors & assemblies, board to board and SIM card connectors. Manufacture unique to market products in partnership with I-PEX.

NetPower

www.netpowercorp.com

A global technology leader in DC-DC board-mounted power (BMP) modules. Netpower offers standard, modified standard and custom BMP modules as well as stand-alone power converters for e-Mobility, industrial automation, LED lighting and other demanding applications.

DB UNLIMITED

www.dbunlimitedco.com

Leading audio solutions provider committed to maximizing customer designs by helping solve eng. design challenges. With over 40 years of experience resulting in a array of innovative & comprehensive technical solutions of acoustic components

Perfecting the Art of Electronics
ALPS

www.alpsalpine.com/na

Recognized as a Global Technology Innovator. Core focus areas are Human Machine Interface, Sensing, Connectivity and Green devices. Precise Force sensors, compact digital humidity sensors, & ultra miniature Bluetooth®.

ZERO

www.zerocases.com

ZERO has been a world supplier of protective cases and enclosures. ZERO's specialties include quality, deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, oil and gas, logistics, electronics and telecommunications markets

VOXPOWER

www.vox-power.com

Manufacturer of AC/DC power solutions for industrial, medical and technology. Provides a broad range of state-of-the-art modular configurable and conduction cooled power supplies with the highest power density available on the market.

GCG
GOWANDA
COMPONENTS GROUP

www.gowanda.com

A manufacture of high-performance electronic components for demanding RF and power applications in aerospace, defense, medical, space and industry. Engineered components include standard off-the-shelf and custom-designed inductors, chips, chokes, coils, conicals, toroids, transformers, solenoids and magnetic devices in surface mount and axial-leaded (thru-hole) configurations

ICONN
SYSTEMS, LLC

www.iconnsystems.com

ICONN Systems, LLC is a custom engineered interconnect solutions design company that focuses on the manufacturing of electrical and electronic connectors, overmolded and discrete cable assemblies and value added turnkey products.

ACTIVE COMPONENTS

LITEON

<http://optoelectronics.liteon.com>

Manufacturer of Optoelectronic components including SMD, LED lamps; LED Displays, infrared LED's, Photo detectors, Opto switches and Opto Couplers. Global leader, number 1 in worldwide capacity for Numeric Displays and Photocouplers.

Central
Semiconductor Corp.

www.centrasemi.com

Manufacturer of discrete semiconductors to suit varying applications. Products are available in surface mount, through-hole and bare die. A wide range of standard devices, custom, special, and other niche products and services.

www.analogpowerinc.com

ap
ANALOG POWER

Analog Power brings you a range of application-specific solutions for power management. Our wide selection of products includes N-Channel and P-Channel MOSFETs, with on-resistance as low as 1.5 mΩ, in packages such as DFN3x3-8, SO-8, lead-less SO-8 (exposed)

SIMCOM

www.simcom.com

A global leading machine-to-machine (M2M), wireless modules and solutions supplier. providing a variety of cellular wireless modules and solutions including 5G, 4G, LPWA, LTE-A, smart module, automotive module, 3G, 2G and GNSS.

MPS
Monolithic Power Systems

www.monolithicpower.com

Delivers highly integrated monolithic products that offer energy efficient & cost-effective solutions. DC/DC converters, LED drivers, Class-D audio amplifiers, batter chargers, USD, current-limit switches & Ac/DC offline products.

BYTe
Semiconductor

www.byte-semi.com

Developed SPI NOR Flash devices and densities from 512Kb to 2GB and parallel NOR flash devices including 1Gb 2Gb. In 2023 they expanded to also include NAND flash Memory

analogix
Bring Vision to Life

www.analogix.com

Analogix Semiconductor, Inc. is a global leader in designing high-performance mixed-signal semiconductors. Analogix IP cores, full custom ASICs, and off-the-shelf digital media ICs provide end-to-end connectivity through industry-standard interfaces such as DisplayPort and HDMI.
